A handwritten signature in black ink, appearing to read "Gene Schultz". The signature is written in a cursive style with large, flowing loops and a long horizontal tail extending to the right.

I would like to thank you for your handling of the recent roofing & gutter replacement work done on our house. My wife and I were very impressed with your promptness with scheduled appointments and returning our phone calls. Your knowledge of the various materials and various methods of roofing were very helpful to us. We will not hesitate to recommend you and "The Roofing Store" to our friends and neighbors for future work.
