Mike,

I thought I would write to tell you how much we appreciate the work your men did in installing a new roof on our house. We realize it was not an easy building to work on & the hot weather didn't help either. We have received many comments on how nice it looks.

I checked our attic during the downpour we had this weekend & couldn't find any leakage, not that I expected to find any but I just wanted to make sure.

While yours was not the lowest bid, Steve's presentation pointed out some things that the others didn't cover. That made our decision easier.

We will gladly recommend your company .

Sincerely,

Rene & Dorothy Beausoleil
